The screenshot shows the GoToWebinar Control Panel interface. At the top, there are window control buttons and the title 'GoToWebinar Control Panel'. Below that, a status bar indicates 'Attendees Still On Hold' and a 'Start Broadcast' button. A navigation menu on the left includes 'Screen Sharing', 'Dashboard', 'Attendees: 1 out of 1001', 'Audio', 'Webcam', 'Questions', 'Polls', and 'Chat'. The 'Questions' section is expanded, showing a table with columns for 'Question' and 'Asker'. Below the table is a text input field labeled 'Type answer here' and two buttons: 'Send Privately' and 'Send To All'. The 'Attendees' section shows a list with one entry: 'Katie Wood - Organizer, Presenter, ...'. There are also icons for 'All' and 'Invite Others'.
