

NAAE Outstanding Postsecondary Agriculture Program Award Application

NAAE upholds a commitment to advancing agriculture and cultivating the next generation of agricultural educators. The Outstanding Postsecondary Agriculture Program Award honors post-secondary institutions, farm business management programs, full-time young farmer and adult agricultural education programs who are developing humble leaders energized by shaping the future of agriculture one student or adult at a time. This application should highlight the growth and successes of the program over the last five years. (2020-2025). ****This application should only highlight the program goals and achievements over the last FIVE years. (2020-2025)****

Who can apply?

Young farmer and adult agricultural education programs and farm business management programs are eligible for this award along with postsecondary agricultural education programs. Qualifying young farmer, farm business management instructors, and/or adult aged program staff must devote at least 50 percent of their teaching time to this level of instruction. All active and active life NAAE members, except current members of the NAAE board of directors, are eligible to enter. All full-time instructors within the applicant institution, or of the department within the applicant institution, must have been members of NAAE for the three (3) previous years or continuously since they began teaching. Previous regional winners may reapply for this award every five years if they choose (that is, programs that won the regional award in 2025 may reapply in 2030)

Awards and Recognition

Each state winner will receive a certificate at the annual meeting of the state agricultural education association. NAAE will recognize six national winners, one from each region. All state winners will compete within their respective NAAE region for the regional award. Each regional winner will receive the following for one representative from the program: (1) one round trip, coach airfare to the NAAE convention from the commercial airport nearest the winner's home or round trip mileage reimbursed at the current NAAE mileage rate not to exceed the dollar amount of one round trip airfare; (2) lodging for four nights at the convention; (3) an engraved plaque; and (4) complimentary registrations to the ACTE CareerTech Vision/NAAE Convention (one per program). Spouses/guests/co-teachers are welcome to attend the convention with the award winner; however, travel costs and registration fees for spouses/guests/co-teachers will not be covered by the award program. If the program chooses to not travel to attend the convention, then they will forfeit the award portion (1, 2, and 4).

***Please note:** this is a program award and the award and recognition is for the program not a specific teacher in the program. If the current contact for the application is not teaching at the program at the time of the award recognition, then the award portion (1, 2, and 4) will go to another current ag teacher at the program. This teacher must meet the NAAE Award applicant eligibility as well or the award portion (1, 2, and 4) will be relinquished back to NAAE.

**The deadline for submitting state winning applications to the national NAAE office
is May 15, 2025.**
